

MAAME

SPRING 23

GINETTE NY

Feeling connected
Feeling grounded
Nane is dancing
The music is playing
The shadow of the palm sits
against the wall of the house
I want to dance too
We danced together

Feeling connected
Feeling grounded
Feeling Jasper
Nane in Wolof means
Grand-mother. My grand-ma
was half Senegalese. I used
to call her Nane.
I feel I danced with her
under the palm tree for an instant.
