

POMEGRANATES AND LEMONS

FALL 23

GINETTE NY

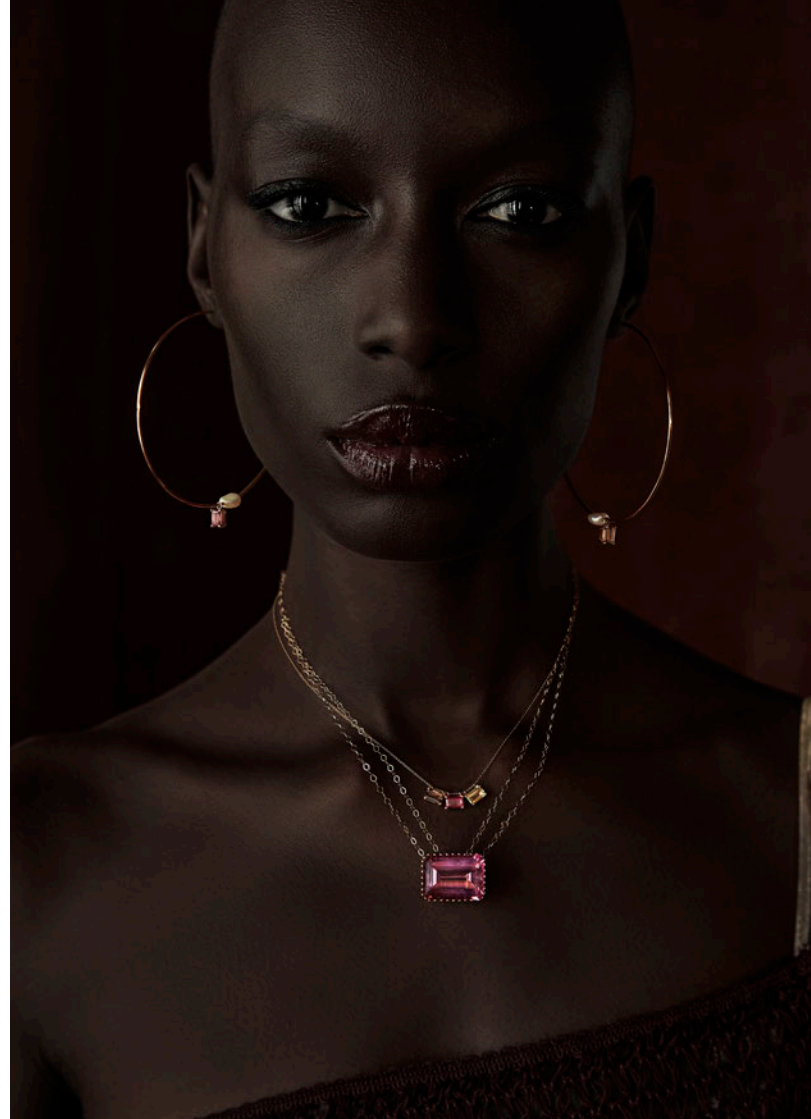

Precious time
Precious place
Precious soul
Precious stones

Travel in time is easy.
Eyes closed. Mind set.
The beauty from another time.
Far away. Deep feelings.
A place we don't know but
visited a million times...
Remembered like a painting
from another century.
The same dream again and
again because we want to.
It is sweet, it is delicious,
it is beautiful.

Pomegranates and Lemons is
the name of that dream I can
not forget
